

Movies Da

1. Home Page:

Skip the lines, grab your popcorn, and dive straight into the magic of cinema. At **Movies Da**, booking your next movie experience is just a click away.

A screenshot of a web browser showing the 'Moviesda' homepage. The header features a yellow bar with the site name and a clapperboard icon. Below the header is a purple navigation bar with links for Home, Review, Contact, and Sign In. The main content area has a search bar labeled 'Search Your City' and a section for 'Popular Cities' with buttons for Chennai, Vellore, Villupuram, and Pondicherry. Below this are four movie posters in blue-bordered boxes: 'THE CONJURING', 'MADHARASI', 'SEPO5', and 'F1 THE MOVIE'.

2. About Us:

◆ Features at a Glance:

Browse movies by genre, language, or rating

Check showtimes across multiple theaters

Reserve your favorite seats instantly

Get notified about upcoming releases and special deals

Enjoy seamless payments and ticket storage

3. Whether you're planning a solo escape or a group

The screenshot shows a web browser window with the title bar "About Us". The main content area features a dark red curtain background. At the top center is a movie clapperboard icon with the text "About Us...". Below it is a large image of a red bucket filled with popcorn, a film strip, and a pair of 3D glasses. To the right of the image, the text "Your Gateway to the Big Screen!" is displayed. A paragraph below the image reads: "Skip the lines and dive straight into the magic of cinema with Movies Da your all-in-one movie booking companion. Discover the latest blockbusters, indie gems, and regional favorites playing near you. With real-time showtimes, seat selection, secure payments, and exclusive offers, booking your next movie night has never been easier." To the right of the paragraph is a circular callout titled "Features at a Glance:" containing the same five bullet points as the previous section. The overall design is clean and professional.

4. Booking:

Ready for a night at the movies? Booking your favorite film has never been easier. Just follow a few simple steps and get ready to enjoy the show!

- 1. Choose Your Movie** Browse the latest releases, trending titles, or genre favorites.
- 2. Select Your Theatre & Show Time** Find a cinema near you and pick a time that fits your schedule.
- 3. Pick Your Seats** View the seating layout and select your preferred spots—whether it's front row thrills or cozy corners.
- 4. Confirm & Pay** Review your booking, apply any promo codes, and pay securely using your preferred method.

Movies Da...

Screenshot of a movie booking application window titled "MoviesDa...".

The interface includes a toolbar at the top with icons for Booking, WhatsApp, and other applications like Gmail, YouTube, and Maps. The main area displays a seating chart for 10 rows (labeled a-k) and 10 columns (labeled 1-10). The legend indicates three states:

- Available (white square)
- Booked (light gray square)
- Selected (dark blue square)

The seating chart shows a pattern where every second seat in every second row is booked (e.g., seats (b,2), (d,4), (f,6), (h,8), (j,10) are booked). Seats (b,1), (c,1), (d,1), (e,1), (f,1), (g,1), (h,1), (i,1), (j,1), (k,1) are available. Seats (b,3), (c,3), (d,3), (e,3), (f,3), (g,3), (h,3), (i,3), (j,3), (k,3) are selected.

A horizontal bar labeled "Screen" is located below the seating chart.
